PROXY STATEMENT

Enzon Pharmaceuticals, Inc. is furnishing this proxy statement and the enclosed proxy card to our stockholders of record as of the close of business on September 30, 2013 in connection with our solicitation of proxies for use at the annual meeting of stockholders and any adjournment(s), postponement(s) or other delays thereof (the "2013 Annual Meeting") to be held at Club 101 on the Main Floor at 101 Park Avenue, New York, New York 10178 on Wednesday, November 20, 2013 at 11:00 a.m., local time.

References in this proxy statement to the "Company," "our company," "we," "us," "our" and similar terms mean Enzon Pharmaceuticals, Inc.

The accompanying proxy is solicited by the Board of Directors of the Company (the "Board") and is revocable by the stockholder any time before it is voted.

We have elected to take advantage of the Securities and Exchange Commission's "notice and access" rule that allows us to furnish proxy materials to stockholders online. We believe that electronic delivery will expedite the receipt of proxy materials, while significantly lowering costs and reducing the environmental impact of printing and mailing full sets of proxy materials. As a result, on or about October 11, 2013, we mailed to our stockholders of record at the close of business on September 30, 2013 a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy materials online and how to request paper copies of our proxy materials. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the materials unless you specifically request one.

Enzon's principal executive offices are located at 20 Kingsbridge Road, Piscataway, New Jersey 08854, telephone (732) 980-4500.

Who May Vote

Only holders of the Company's common stock ("Common Stock") outstanding as of the close of business on September 30, 2013 (the "Record Date") are entitled to receive notice of, and to vote at, the 2013 Annual Meeting. As of the Record Date, there were 44,068,299 shares of Common Stock outstanding and entitled to vote at the 2013 Annual Meeting. Each share of Common Stock is entitled to one vote on all matters. No other class of securities will be entitled to vote at the 2013 Annual Meeting. There are no cumulative voting rights.

Voting Requirements

One-third of the shares of Common Stock entitled to vote at the 2013 Annual Meeting present in person or by proxy constitutes a quorum for action at the meeting. Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present. A “non-vote” occurs when a nominee holding shares for a beneficial owner votes on one proposal but does not vote on another proposal because, with respect to such other proposal, the nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

The vote requirement for each matter is:

- Proposal No. 1 (Election of Directors)—A nominee will be elected as a director if he receives a majority of the votes cast at the 2013 Annual Meeting. A majority of votes cast means that the number of shares voted “FOR” a director’s election exceeds the number of votes cast “AGAINST” that director’s election. Abstentions and broker non-votes, if any, will not be counted either for or against the election of a Director nominee.
- Proposal No. 2 (Ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013)—The ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013 requires the favorable vote of a majority of the shares of Common Stock present or represented by proxy at the 2013 Annual Meeting and entitled to vote thereon. Abstentions from voting will have the same effect as voting against the ratification, and broker non-votes, if any, will be disregarded and have no effect on the outcome of the vote. The ratification of the appointment of EisnerAmper LLP is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.
- Proposal No. 3 (Approval, on an advisory basis, of the compensation of our named executive officers)—The approval, on an advisory (non-binding) basis, of the compensation of our named executive officers as described in this proxy statement requires the favorable vote of a majority of the shares of Common Stock present or represented by proxy at the 2013 Annual Meeting and entitled to vote thereon. Abstentions from voting will have the same effect as voting against the proposal, and broker non-votes, if any, will be disregarded and have no effect on the outcome of the vote.

The Board’s Voting Recommendations

The Board recommends that you vote your shares “FOR” each of the Board’s nominees who are standing for election to the Board (Proposal No. 1), “FOR” the ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013 (Proposal No. 2) and “FOR” the approval, on an advisory basis, of the compensation of the Company’s named executive officers (Proposal No. 3).

How to Vote

If you are a stockholder of record as of the Record Date, you may vote (i) in person by ballot at the 2013 Annual Meeting, (ii) by submitting voting instructions via the Internet at www.cstproxyvote.com or (iii) by signing and dating the enclosed proxy card and returning it in the enclosed postage-paid envelope. Instructions for Internet voting are provided in the Notice of Internet Availability of Proxy Materials and the printed proxy card. If you hold your shares of Common Stock in a stock brokerage account or through a bank or other nominee, you must follow the voting procedures provided by your broker, bank, trustee or other nominee included with your proxy materials.

Giving us your proxy means you authorize the Board’s designated proxy holders (who are identified on the enclosed proxy card) to vote your shares at the 2013 Annual Meeting in the manner that you have indicated and in their discretion on such other matters as may properly come before the 2013 Annual Meeting. If you sign and return the enclosed proxy card but do not indicate your vote, the designated proxy holders will vote your shares “FOR” each of the Board’s nominees that are standing for election to the Board (Proposal No. 1), “FOR” the ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013 (Proposal No. 2) and “FOR” the approval, on an advisory basis, of the compensation of the Company’s named executive officers (Proposal No. 3).

If You Plan to Attend the 2013 Annual Meeting

Attendance at the 2013 Annual Meeting will be limited to stockholders as of the Record Date. Each stockholder may be asked to present valid picture identification, such as a driver's license or passport. Stockholders holding stock in brokerage accounts or by a bank or other nominee may be required to show a brokerage statement or account statement reflecting stock ownership as of the Record Date. Cameras, recording devices and other electronic devices will not be permitted at the 2013 Annual Meeting. You may contact us at (732) 980-4500 or through an e-mail request to investor@enzon.com for directions to the 2013 Annual Meeting.

If you are a stockholder of record as of the Record Date, you may vote your shares in person by ballot at the 2013 Annual Meeting. If you hold your shares of Common Stock in a stock brokerage account or through a bank or other nominee, you will not be able to vote in person at the 2013 Annual Meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the 2013 Annual Meeting.

Revoking a Proxy

You may revoke your proxy or voting instructions by (i) submitting new voting instructions via the Internet at www.cstproxyvote.com, (ii) submitting a new proxy with a later date or (iii) notifying our Corporate Secretary before the 2013 Annual Meeting by mail at the address shown on page 1. If you attend the 2013 Annual Meeting in person and vote by ballot, any previously submitted proxy or voting instructions will be revoked.

How We Solicit Proxies

We will solicit proxies and will bear the entire cost of our solicitation, including the preparation, assembly, printing and mailing of this proxy statement and any additional materials furnished to our stockholders. The initial solicitation of proxies by mail may be supplemented by telephone, fax, e-mail, Internet and personal solicitation by our directors, officers or other regular employees. No additional compensation for soliciting proxies will be paid to our directors, officers or other regular employees for their proxy solicitation efforts. The Company expects to reimburse banks, brokers and other persons for their reasonable out-of-pocket expenses in handling proxy materials for beneficial owners of Common Stock. We have engaged the services of D.F. King & Co., Inc. to assist us in the solicitation of proxies for an anticipated fee of \$6,500 plus expenses.

If You Receive More Than One Proxy Card

If you hold your shares of Common Stock in more than one account, you will receive a proxy card for each account. To ensure that all of your shares of Common Stock are voted, please sign, date and return the proxy card for each account. You should vote all of your shares of Common Stock.

PROPOSAL NO. 1—ELECTION OF DIRECTORS

General

Pursuant to the provisions of the Company's Amended and Restated Certificate of Incorporation and Second Amended and Restated By-Laws, each member of the Board is to be elected each year to hold office for one year until the annual meeting of stockholders after such election. The Governance and Nominating Committee has recommended to the Board, and the Board also recommends, that the stockholders elect all of the Board's director nominees at the 2013 Annual Meeting to serve until the Company's next annual meeting of stockholders and until such director's successor is elected and qualified. The proxies solicited by this proxy statement cannot be voted for more than three nominees at the 2013 Annual Meeting. The nominees who are standing for election to the Board at the 2013 Annual Meeting and certain information with respect to their backgrounds are set forth below. It is the intention of the persons named in the accompanying proxy card, unless otherwise instructed, to vote to elect the nominees named herein. In the event that any nominee named herein is unable or unwilling to serve as a director, discretionary authority is reserved to the Board to vote for a substitute. The Board has no reason to believe that any nominee named herein will be unable to serve if elected.

The Second Amended and Restated By-Laws of the Company (the "Second Amended and Restated By-Laws") provide for majority voting for election of directors in uncontested elections. In an uncontested election of directors (i.e., an election where the only nominees are those recommended by the Board), each member of the Board will be elected only if the votes cast for the nominee exceed the votes cast against the nominee, rather than by plurality voting. Plurality voting is retained for contested elections. In addition, the Board also adopted a Board Resignation Policy in furtherance of these majority voting principles. Pursuant to this policy, each of the Board's nominees would agree to submit an irrevocable resignation from the Board which will become effective in accordance with such policy in the event the nominee fails to receive the required vote for his or her election at the 2013 Annual Meeting.

Director Nominees

Due to our reduced scope of operations and the suspension of all of our research and development activities, we have determined that a smaller board of directors is appropriate going forward. We currently have eight directors, but only three of our directors will stand for election at the 2013 Annual Meeting. The proxies solicited by this proxy statement cannot be voted for more than three nominees at the 2013 Annual Meeting. The Board has nominated and recommended for election the following persons to stand for re-election at the 2013 Annual Meeting: Jonathan Christodoro, Odysseas Kostas and Jennifer I. McNealey.

Mr. Christodoro was appointed as a director to the Board on October 7, 2013 after discussions with Carl C. Icahn, one of our largest stockholders, and after consideration by the Governance and Nominating Committee. Dr. Kostas and Ms. McNealey were appointed as directors to the Board on September 25, 2013 after consideration by the Governance and Nominating Committee. The nominees for election to the office of director, and certain information with respect to their backgrounds, are set forth below. It is the intention of the Board's designated proxy holders (who are identified on the enclosed proxy card), unless otherwise instructed, to vote to elect Mr. Christodoro, Dr. Kostas and Ms. McNealey.

Alexander J. Denner, Richard C. Mulligan, Thomas F. Deuel, George W. Hebard III and Richard A. Young, who are currently members of the Board, will not stand for re-election at the 2013 Annual Meeting. Recently, on October 8, 2013, our former directors Robert LeBuhn and Robert C. Salisbury resigned from the Board and therefore will also not stand for re-election at the 2013 Annual Meeting.

In the event that any of the Board's nominees is unable or unwilling to serve as a director, discretionary authority is reserved to the Board to select a substitute. The Board has no reason to believe that any nominee named herein will be unable to serve if elected. Each nominee for director has consented to being named in this proxy statement and to serving as a director if elected.

Set forth below are the name, age and year in which the current term expires of each nominee for election to the Board as of the date of this proxy statement.

Name	Age	Director Since	Position with the Company	Term Expires on the Annual Meeting Held in the Year
Nominees:				
Jonathan Christodoro	37	2013	Director	2013
Odysseas Kostas	39	2013	Director	2013

Recommendation

The Board recommends a vote FOR each of the nominees named above (Proposal No. 1 on the proxy card).

DIRECTORS' NOMINATION

Process for Identifying and Evaluating Nominees. The Charter of the Governance and Nominating Committee specifies the process for nominating persons for election to the Board. The Committee will solicit nominations for new directors and screen the list of potential new directors submitted to it by other directors or any other sources and decide whether the assistance of a search firm is needed, and if so, choose the firm. After a review of board candidates and after considering the advice of the Chairman of the Board, the committee will designate which candidates, if any, are to be interviewed.

Criteria for Board Membership. The Charter of the Governance and Nominating Committee does not set forth the specific criteria for identifying and recommending new candidates to serve as directors; however, candidates may be interviewed by the Governance and Nominating Committee to evaluate the following, among other qualifications it may deem appropriate:

- experience as a director of another publicly-traded corporation, experience in industries or with technologies relevant to our company, accounting or financial reporting experience, or such other professional experience that the Governance and Nominating Committee determines qualifies an individual for Board service;
- candidates' business judgment and temperament, ethical standards, view of the relative responsibilities of a director and management, independent thinking, articulate communication and intelligence; and
- any other factors as the Governance and Nominating Committee deems appropriate, including judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

Although the Governance and Nominating Committee does not have a written diversity policy, it generally considers diversity of knowledge, skills and professional experience as factors in evaluating candidates for the Board.

Stockholder Nominees. The Governance and Nominating Committee will consider written proposals from stockholders for nominees for director. Any such nominations should be submitted to the Governance and Nominating Committee, c/o the Secretary of the Company, and should include the following information: (i) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and our Second Amended and Restated-Bylaws; (ii) the names and addresses of the stockholders making the nomination and the number of shares of Common Stock that are owned beneficially and of record by such stockholders; (iii) appropriate biographical information and a statement as to the qualification of the nominee and (iv) a statement whether the nominee, if elected, intends to tender an irrevocable resignation effective upon such person's failure to receive the required vote, as will be provided by candidates nominated by the Board, in accordance with the Board's resignation policy described below. Our Second Amended and Restated By-Laws generally require that this information should be submitted not less than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders. The manner in which the committee evaluates potential directors will be the same for candidates recommended by the stockholders as for candidates recommended by others.

Majority Voting for Directors and Board Resignation Policy. The Second Amended and Restated By-Laws provide for majority voting for election of directors in uncontested elections. In an uncontested election of directors (i.e., an election where the only nominees are those recommended by the Board), each member of the Board will be elected only if the votes cast for the director exceed the votes cast against the director, rather than by plurality voting. Plurality voting is retained for contested elections. In addition, the Board also adopted a Board Resignation Policy in furtherance of the majority voting principles reflected in the Second Amended and Restated By-Laws. Under this policy, in uncontested elections, a director nominee who does not receive the required votes for election or re-election is expected to tender his or her resignation to the Board. In addition, the Board expects candidates to tender resignations if they fail to receive the required votes. The resignation tendered by a nominee will be effective automatically on the 60th day following the annual meeting at which the nominee failed to receive the required vote, unless the Board decides to suspend the resignation for so long as the Board determines that such resignation would cause the Board or committees thereof to fail to comply with Enzon's bylaws, the Delaware General Corporation Law, the listing requirements of The Nasdaq Stock Market LLC or any regulation promulgated by the Securities and Exchange Commission (the "SEC"). Enzon intends on publicly disclosing the Board's determination regarding suspension of the tendered resignation and the rationale behind the decision.

DIRECTORS' COMPENSATION

2011 Outside Director Compensation Plan

In March 2011, the Board adopted the 2011 Outside Director Compensation Plan, which remained in effect until the 2013 Outside Director Compensation Plan (described below) became effective in January 2013. Under the 2011 Outside Director Compensation Plan, each non-employee director receives an annual grant of stock options on the first trading day of the calendar year with a Black-Scholes value of \$25,000 and an exercise price equal to the closing price of our Common Stock on the date of grant (the "2011 Plan Annual Option Grant") and an annual grant of restricted stock units settled in shares of Common Stock on the first trading day after June 30 of each calendar year with a value of \$75,000 (the "2011 Plan Annual Restricted Stock Grant"). These grants are made under the Company's equity compensation plans. The 2011 Plan Annual Option Grant vests in one tranche on the first anniversary of the date of grant if the recipient director remains on our board on that date. Once vested, options granted pursuant to the 2011 Plan Annual Option Grant expire on the 10th anniversary of the date of grant. The number of shares issued in the 2011 Plan Annual Restricted Stock Grant will be equal to \$75,000 divided by the closing price of our Common Stock on the date of grant. The shares covered by the 2011 Plan Annual Restricted Stock Grant vest in three equal tranches on each of the first three anniversaries of the date of grant if the recipient director remains on our board on each such date. Upon the election of a new non-employee director to the Board, such newly elected director will receive a grant of stock options with a Black-Scholes value of \$25,000 (the exercise price of which will be equal to the closing price of our Common Stock on the date of grant) and a grant of restricted stock units settled in shares of Common Stock with a value of \$100,000 (the number of shares covered by such grant being equal to \$100,000 divided by the closing price of our Common Stock on the date of grant) (the "2011 Plan Welcome Grant"). The options and restricted stock units included in the 2011 Plan Welcome Grant vest in three equal tranches on each of the first three anniversaries of the date of grant, if the recipient director remains on the Board on each such date. For the Chairperson of the Board, if such Chairperson is not an employee of our company, the value of the options and restricted stock units covered by the 2011 Plan Annual Option Grant, 2011 Plan Annual Restricted Stock Grant and 2011 Plan Welcome Grant are twice the amounts mentioned above. In addition, under the 2011 Outside Director Compensation Plan, each non-employee director receives an annual cash retainer of \$50,000. Non-employee directors also receive an additional annual cash retainer of \$18,000 for service as chair of the Finance and Audit Committee and \$8,000 for service as chair of any other committee. Non-employee directors receive an additional annual cash retainer of \$8,000 for service as members of the Audit and Finance Committee, an annual cash retainer of \$4,000 for each other committee on which they serve but do not chair and \$1,000 for each committee meeting attended.

2013 Outside Director Compensation Plan

In January 2013, the Governance and Nominating Committee reviewed director compensation in view of changes in the size and direction of our company and trends in director compensation at peer group companies. In January 2013, the Board adopted the 2013 Outside Director Compensation Plan, which remained in effect until the Amended and Restated 2013 Outside Director Compensation Plan (described below) became effective on July 1, 2013. Under the 2013 Outside Director Compensation Plan, each non-employee director receives an annual grant of stock options on the first trading day of the calendar year with a Black-Scholes value of \$25,000 and an exercise price equal to the closing price of our Common Stock on the date of grant (the "2013 Plan Annual Option Grant") and an annual grant of restricted stock units settled in shares of Common Stock on the first trading day after June 30 of each calendar year with a value of \$50,000 (the "2013 Plan Annual Restricted Stock Grant"). These grants are made under the Company's equity compensation plans. The 2013 Plan Annual Option Grant vests in one tranche on the first anniversary of the date of grant if the recipient director remains on our board on that date. Once vested, options granted pursuant to the 2013 Plan Annual Option Grant expire on the 10th anniversary of the date of grant. The number of shares issued in the 2013 Plan Annual Restricted Stock Grant will be equal to \$50,000 divided by the closing price of our Common Stock on the date of grant. The shares covered by the 2013 Plan Annual Restricted Stock Grant vest in three equal tranches on each of the first three anniversaries of the date of grant if the recipient director remains on our board on each such date. Upon the election of a new non-employee director to the Board, such newly elected director will receive a grant of stock options with a Black-Scholes value of \$25,000 (the exercise price of which will be equal to the closing price of our Common Stock on the date of grant) and a grant of restricted stock units settled in shares of Common Stock with a value of \$50,000 (the number of shares covered by such grant being equal to \$50,000 divided by the closing price of our Common Stock on the date of grant) (the "2013 Plan Welcome Grant"). The options and restricted stock units included in the 2013 Plan Welcome Grant vest in three equal tranches on each of the first three anniversaries of the date of grant, if the recipient director remains on the Board on each such date. For the Chairperson of the Board, if such Chairperson is not an employee of our company, the value of the options and restricted stock units covered by the 2013 Plan Annual Option Grant, Annual Restricted Stock Grant and 2013 Plan Welcome Grant are twice the amounts mentioned above. For the Vice-Chairperson of the Board, if such Vice-Chairperson is not an employee of our company, the value of the options and restricted stock units covered by the 2013 Plan Annual Option Grant, 2013 Plan Annual Restricted Stock Grant and 2013 Plan Welcome Grant are 1.75 times the amounts mentioned above. In addition, under the 2013 Outside Director Compensation Plan, each non-employee director receives an annual cash retainer of \$30,000. Non-employee directors also receive an additional annual cash retainer of \$18,000 for service as chair of the Finance and Audit Committee and \$8,000 for service as chair of any other committee. Non-employee directors receive an additional annual cash retainer of \$8,000 for service as members of the Audit and Finance Committee, an annual cash retainer of \$4,000 for each other committee on which they serve but do not chair.

Amended and Restated 2013 Outside Director Compensation Plan

In June 2013, the Governance and Nominating Committee further reviewed director compensation in view of changes in the size and direction of our company. The Governance and Nominating Committee recommended further changes to eliminate equity grants and reduce cash compensation to non-employee directors. Based upon these recommendations, in June 2013, the Board adopted the Amended and Restated 2013 Outside Director Compensation Plan, which became effective on July 1, 2013. Under the Amended and Restated 2013 Outside Director Compensation Plan, each non-employee director (i) receives an annual cash retainer of \$30,000, (ii) for service as chair of the Finance and Audit Committee receives an additional annual cash retainer of \$10,000 and (iii) for service as a member of the Finance and Audit Committee receives an additional annual cash retainer of \$5,000. These annual cash retainers are payable quarterly at the end of each quarter, beginning with the third quarter of the fiscal year ending December 31, 2013.

Directors who are employees of our company do not receive compensation for their service on the Board.

CORPORATE GOVERNANCE

Director Independence

All of our current directors (other than Mr. Hebard, who serves as our Interim Principal Executive Officer and Interim Chief Operating Officer) meet, and the nominees for director would meet, upon election, the listing standards of NASDAQ for independence. In 2012, the independent directors held two such executive sessions at which only the independent directors are present. Dr. Denner presided at these executive sessions.

Meetings and Attendance

The Board held 10 meetings during fiscal year 2012. Each director attended at least 75% of the total number of meetings held during fiscal year 2012 by the Board and committees of the Board of which such director was a member.

Enzon does not have a policy requiring our directors to attend our annual stockholders' meetings.

Board Leadership Structure

We have historically separated the Chairman and Vice-Chairman positions from the Principal Executive Officer position in order to allow the Principal Executive Officer to focus on setting the strategic direction of our company and the day-to-day leadership and performance of our company, while the Chairman and Vice-Chairman lead the Board in its role of providing advice to, and overseeing the performance of, the Principal Executive Officer. Dr. Denner, who has served as the Chairman of the Board since July 2009, and Professor Mulligan, who has served as the Vice-Chairman of the Board since March 2011, will not stand for re-election at the 2013 Annual Meeting. We expect that after the 2013 Annual Meeting, the Board will re-evaluate our board leadership structure, including whether to maintain the Chairman and Vice-Chairman positions.

Communications with Directors

Stockholders may communicate directly with the directors. All communications should be sent in care of the Secretary of Enzon at Enzon's address and should prominently indicate on the outside of the envelope that it is intended for the Board, for a specific non-employee director or a particular committee of the Board. If no director is specified, the communication will be forwarded to the entire Board.

Standing Committees of the Board

The Board currently has the following standing committees: Finance and Audit Committee, Compensation Committee and Governance and Nominating Committee.

Finance and Audit Committee. The Finance and Audit Committee currently consists of Dr. Young, who will not stand for re-election at the 2013 Annual Meeting. Until their resignations as directors on October 8, 2013, Mr. Salisbury served as Chairman of the Finance and Audit Committee and Mr. LeBuhn served as a member of the Finance and Audit Committee. The Board has not yet determined which nominees for director, upon election, will be appointed to the Finance and Audit Committee. The appointment of members to the Finance and Audit Committee is expected to occur prior to the 2013 Annual Meeting. The current member of the Finance and Audit Committee is, and each member who will be appointed to the Finance and Audit Committee following the 2013 Annual Meeting is expected to be, independent as defined by the listing standards of The NASDAQ Stock Market ("NASDAQ"). The Finance and Audit Committee does not currently have an audit committee financial expert as determined by the SEC due to the recent resignations of Messrs. Salisbury and Lebuhn, each of whom previously satisfied the definition of audit committee financial expert, as directors. The primary purpose of the Finance and Audit Committee is to assist the Board in its oversight responsibilities by monitoring the integrity of our company's financial reporting process and financial statements, the systems of internal controls and controls over financial reporting, our company's compliance with legal and regulatory requirements, and the performance and independence of our company's independent registered public accounting firm. The Finance and Audit Committee meets periodically with management to consider the adequacy of our company's internal controls and the financial reporting process. The Finance and Audit Committee also discusses these matters with our company's independent registered public accounting firm. The Finance and Audit Committee reviews our financial statements and discusses them with management and our company's independent registered public accounting firm before those financial statements are filed with the SEC. The charter of the Finance and Audit Committee may be found on our website at www.enzon.com. The Finance and Audit Committee held six meetings during the fiscal year ended December 31, 2012.

Compensation Committee. The Compensation Committee currently consists of Dr. Deuel and Dr. Young, each of whom will not stand for re-election at the 2013 Annual Meeting. Until his resignation as a director on October 8, 2013, Mr. LeBuhn served as Chairman of the Compensation Committee. The Board has not yet determined which nominees for director, upon election, will be appointed to the Compensation Committee. The appointment of members to the Compensation Committee is expected to occur following the 2013 Annual Meeting. Each current member of the Compensation Committee is, and each member who will be appointed to the Compensation Committee following the 2013 Annual Meeting is expected to be, independent as defined by NASDAQ listing standards. The primary duties and responsibilities of the Compensation Committee are to oversee our overall compensation structure, policies and programs, and assess whether our compensation structure establishes appropriate incentives for management and employees, to administer our incentive-compensation and equity-based compensation plans, to review and approve corporate goals and objectives relevant to the compensation of our Principal Executive Officer and set the compensation of other executive officers based upon the recommendation of our Principal Executive Officer, and to review and recommend employment agreements and severance arrangements for senior officers, including change of control provisions, plans or agreements, among other things.

During a portion of 2012, Ms. Stancic, our former Principal Executive Officer, Executive Vice President, Chief Operating Officer and Chief Financial Officer, in such capacity, conducted performance reviews of members of executive management and made recommendations to the Compensation Committee on compensation, including salary increases, bonuses and equity grants, based on her assessment of the individual's performance as measured against that individual's targeted performance goals. Upon Ms. Stancic's departure in May 2012, Mr. Hebard was appointed as our Interim Principal Executive Officer and Interim Chief Operating Officer and, in such capacity, conducted these performance reviews. The Compensation Committee, in consultation with Radford and our other independent directors, reviewed these recommendations and approved, with any modifications it considered appropriate, the compensation.

The Compensation Committee has the authority to retain, at our expense, such outside counsel, experts and other advisors as it determines appropriate to assist it in the performance of its functions, including the sole authority to retain and terminate any compensation consultant and to approve the consultant's fees and other retention terms. In September 2011, the Compensation Committee retained Radford, an Aon Hewitt Consulting Company ("Radford") to assist the Compensation Committee with its responsibilities for 2012 compensation decisions. Neither Radford nor its affiliates performed services unrelated to executive compensation that exceeded \$120,000 in 2012.

The charter of the Compensation Committee may be found on our website at www.enzon.com. There were seven meetings of the Compensation Committee during the fiscal year ended December 31, 2012.

Governance and Nominating Committee. The Governance and Nominating Committee currently consists of Professor Mulligan (Chairman) and Dr. Denner. Until their resignations as directors on October 8, 2013, Messrs. Salisbury and LeBuhn each served as a member of the Governance and Nominating Committee. The Board has not yet determined which nominees for director, upon election, will be appointed to the Governance and Nominating Committee. The appointment of members to the Governance and Nominating Committee is expected to occur following the 2013 Annual Meeting. Each current member of the Governance and Nominating Committee is, and each member who will be appointed to the Governance and Nominating Committee following the 2013 Annual Meeting is expected to be, independent as defined by NASDAQ listing standards. The committee reviews and sets corporate governance policy and is responsible for making recommendations to the Board on organization and procedures, performance evaluation of the Board and individual directors, and nomination of directors. The Governance and Nominating Committee's Charter may be found on our website at www.enzon.com. There were five meetings of the Governance and Nominating Committee during the fiscal year ended December 31, 2012.

The Board's Role in Risk Oversight

Enzon, like other companies, faces a variety of risks. The Board has exercised oversight over risk management primarily through the Finance and Audit Committee, which reviews Enzon's policies regarding risk oversight and management. Risk oversight has been a significant component in all major Board decisions and the evaluation of risk is an important element in the Board's decision-making process. In addition, other Board committees have reviewed risks relating to their areas of oversight. For example, the Compensation Committee has generally reviewed risks relating to our compensation practices and policies and has sought to establish compensation packages that reward strong performance without encouraging excessive risk-taking.

We have reviewed risk on an ongoing basis at all levels of the corporate organization. At least annually, management has reviewed its risk management activities with the Finance and Audit Committee, and the Chairman of the Finance and Audit Committee has provided updates to the full Board.

Code of Conduct

Our Board has adopted a Code of Conduct that is applicable to all of our directors, officers and employees. Any material changes made to the Code of Conduct or any waivers granted to any of our directors and executive officers will be publicly disclosed on our website at www.enzon.com within four business days of such material change or waiver. A copy of our Code of Conduct is available on the Corporate Governance page of our website at www.enzon.com or upon request, without charge, by contacting us at (732) 980-4500 or through an e-mail request to investor@enzon.com.

Objectives of Our Compensation Program

Compensation Philosophy and Policies

For 2012 compensation decisions, the philosophy of our compensation programs was to enhance our performance and stockholder value by aligning the financial interests of our senior managers with those of our stockholders, while keeping the overall compensation package competitive. The compensation package for officers included a number of components. The combination of base salary, annual incentives and incentives that we provided to our executives was designed to be competitive with those of comparable companies and to align executive performance with the interests of our stockholders. The package was designed to align individual compensation with our performance based on the following principles:

- pay for the achievement of business and strategic objectives as well as individual strategic, management and development goals;
- pay competitively, with compensation set at levels that will retain key employees; and
- align the compensation of executive officers with the interests of stockholders through equity.

The Compensation Committee has focused on our strategic objectives and the need to retain unique talent to achieve those objectives. In addition to reviewing the competitive landscape of the biotechnology industry, the Compensation Committee has considered, through strategic analysis, our specific needs to enhance stockholder value. Along those lines, the Compensation Committee has periodically monitored its compensation philosophy and objectives with a view toward making changes as appropriate in light of our company's strategic objectives.

Compensation Consultant; Compensation Peer Group

For 2012 compensation decisions, the Compensation Committee engaged Radford, an Aon Hewitt company, as its outside compensation consultant to assist the Compensation Committee with determinations concerning compensation levels and mix for our named executive officers. As part of its engagement, Radford analyzed data from, and identified, a peer group for 2012 compensation decisions focusing primarily on companies that operated in the biotechnology and pharmaceutical industries and were comparable to Enzon in terms of stage of development, number of employees, market capitalization and potential for growth. In November 2011, Radford presented the Compensation Committee with this peer group. The Compensation Committee considered and discussed this peer group and determined that this peer group was an appropriate peer group to be used for purposes of determining 2012 executive compensation.

This peer group consisted of the following 23 companies:

Achillion Pharmaceuticals, Inc.	Ardea Biosciences, Inc.
ARIAD Pharmaceuticals, Inc.	ArQule, Inc.
Astex Pharmaceuticals, Inc.	AVEO Pharmaceuticals, Inc.
Cell Therapeutics, Inc.	Celldex Therapeutics, Inc.
Exelixis, Inc.	ImmunoGen, Inc.
Infinity Pharmaceuticals, Inc.	Inhibitex, Inc.
Keryx Biopharmaceuticals, Inc.	Maxygen, Inc.
Medivation, Inc.	Micromet, Inc.
NPS Pharmaceuticals, Inc.	Novavax, Inc.
Oncothyreon Inc.	Pharmacyclics, Inc.
Sangamo BioSciences, Inc.	Synta Pharmaceuticals Corp.
ZIOPHARM Oncology, Inc.	

Radford's presentation to our Compensation Committee noted that our market capitalization as of October 21, 2011 ranked in the 57th percentile of companies comprising the peer group used for 2012 executive compensation decisions.

Based on this peer group, the Compensation Committee, in consultation with our other independent directors, set 2012 target compensation for our executive officers at the 50th percentile of compensation paid to similarly situated executives of the companies comprising this peer group. The Compensation Committee believed that setting 2012 target compensation at the 50th percentile provided competitive overall compensation targets to retain experienced executive talent, drive their performance and reward the achievement of challenging goals. For comparison purposes, 2011 target compensation for our executive officers was set between the 50th and 75th percentiles of compensation paid to similarly situated executives of the companies that comprised the peer group for 2011 compensation decisions.

For 2013 compensation decisions, the Compensation Committee again engaged Radford as its outside compensation consultant to assist the Compensation Committee with determinations concerning compensation levels and mix for our named executive officers. As part of its engagement, Radford analyzed data from, and identified, a peer group for 2013 compensation decisions focusing primarily on companies that operated in the biotechnology and pharmaceutical industries and were comparable to Enzon in terms of stage of development, number of employees, market capitalization and potential for growth. In identifying this peer group, Radford recommended maintaining approximately the same selection criteria as was used to select the peer group for 2012 compensation decisions. This peer group consists of the following 17 companies:

Achillion Pharmaceuticals, Inc.	Ardea Biosciences, Inc.
ArQule, Inc.	AVEO Pharmaceuticals, Inc.
Cell Therapeutics, Inc.	Celldex Therapeutics, Inc.
Exelixis, Inc.	Infinity Pharmaceuticals, Inc.
Keryx Biopharmaceuticals, Inc.	NPS Pharmaceuticals, Inc.
Novavax, Inc.	Oncothyreon Inc.
Sangamo BioSciences, Inc.	Sarepta Therapeutics, Inc.
Tangacept, Inc.	Synta Pharmaceuticals Corp.
ZIOPHARM Oncology, Inc.	

In September 2012, Radford presented the Compensation Committee with this new peer group. The Compensation Committee considered and discussed this new peer group and determined that this new peer group was an appropriate peer group to be used for purposes of determining 2013 executive compensation.

Radford's presentation to our Compensation Committee noted that our market capitalization as of September 20, 2012 ranked in the 26th percentile of companies comprising the peer group used for 2013 executive compensation decisions.

Based on this peer group, the Compensation Committee, in consultation with our other independent directors, generally set 2013 target compensation for our executive officers at around the 50th percentile of compensation paid to similarly situated executives of the companies comprising this new peer group.

Role of Stockholder Advisory Vote to Approve Compensation of Named Executive Officers

At our 2012 annual meeting of stockholders, over 97% of the votes cast on a proposal to approve, on an advisory basis, the compensation of our named executive officers voted in favor of that proposal. The Compensation Committee believes this affirms our stockholders' support of our approach to executive compensation and did not substantially change its approach for fiscal year 2012.

Compensation Consultant and Conflict of Interest Analysis

The Compensation Committee has considered the relationships that Radford has had with our company, the members of the Compensation Committee and our executive officers, as well as the policies that Radford has in place to maintain its independence and objectivity, and has determined that the work performed by Radford did not raise any conflict of interest.

Components of the Compensation Package

For fiscal year 2012, the compensation package for each of our named executive officers consisted of the following elements:

- base salary;
- annual performance-based incentive;
- stock incentive programs;
- change of control and severance benefits; and
- various other benefits.

In addition, most of our named executive officers are or were parties to severance agreements providing for change of control and severance payments.

For fiscal year 2012, there was no pre-established policy or target for the allocation between either cash or non-cash or short-term and long-term incentive compensation. Rather, the Compensation Committee, in consultation with Radford and our other independent directors, determined the appropriate level and mix of incentive compensation.

The elements of the compensation package were determined and allocated with consideration of comparisons to the peer group. Each element of the compensation package and the allocation of such elements were proposed by management and reviewed and approved by the Compensation Committee, in consultation with Radford and our other independent directors.

Base Salary

For fiscal year 2012, the Compensation Committee aimed to set base salaries at levels that were competitive with those paid to senior executives at companies included in the peer group. The Compensation Committee believed that this would allow us to retain the executive talent required to lead our company, since we had been competing with a large number of companies in the biopharmaceutical industry, including large pharmaceutical companies, for executive talent. Salaries have been reviewed annually and in connection with promotions. The peer group was considered in making salary determinations to align our pay practices with other companies in the biotechnology industry. Individual job performance was also considered in setting salaries. During a portion of 2012, Ms. Stancic, our former Principal Executive Officer, Executive Vice President, Chief Operating Officer and Chief Financial Officer, in such capacity, conducted performance reviews of members of executive management and made recommendations to the Compensation Committee on salary, including salary increases, based on her judgment of the individual's performance, using the following criteria for evaluation: attainment of job accountabilities and functional goals, achievement of corporate objectives, individual performance, leadership qualities, strategic contribution and adoption of our corporate values. Following Ms. Stancic's departure in May 2012, Mr. Hebard was appointed as our Interim Principal Executive Officer and Interim Chief Operating Officer and, in such capacity, conducted these performance reviews. The Compensation Committee, in consultation with Radford and our other independent directors, reviewed these recommendations and approved the annual salary and salary increases, with any modifications it considered appropriate based on its own interaction with executive management and review of accomplishments.

The following discussion provides information concerning the base salaries for our named executive officers.

George W. Hebard III. Mr. Hebard, who was appointed as our Interim Principal Executive Officer and Interim Chief Operating Officer in May 2012, began with an annual base salary of \$395,000 commencing as of the date of his appointment. The Compensation Committee, in consultation with our other independent directors, approved an 8.9% increase in Mr. Hebard's 2013 annual base salary from Mr. Hebard's 2012 annual base salary.

Andrew Rackear. Mr. Rackear began fiscal year 2012 with an annual base salary of \$339,500. The Compensation Committee, in consultation with our other independent directors, approved a 2.5% increase in Mr. Rackear's 2013 annual base salary from Mr. Rackear's 2012 annual base salary.

Ana I. Stancic. Ms. Stancic began fiscal year 2012 with an annual base salary of \$482,000 until her departure in May 2012.

Timothy G. Daly. Mr. Daly began fiscal year 2012 with an annual base salary of \$215,000. The Compensation Committee, in consultation with our other independent directors, approved a 3% increase in Mr. Daly's 2013 annual base salary from Mr. Daly's 2012 annual base salary.

Aby Buchbinder. Dr. Buchbinder began fiscal year 2012 with an annual base salary of \$350,181. The Compensation Committee, in consultation with our other independent directors, approved a 2.5% increase in Dr. Buchbinder's 2013 annual base salary from Dr. Buchbinder's 2012 annual base salary.

Charles Conover. Dr. Conover began fiscal year 2012 with an annual base salary of \$300,000. The Compensation Committee, in consultation with our other independent directors, approved a 2.5% increase in Dr. Conover's 2013 annual base salary from Dr. Conover's 2012 annual base salary.

Annual Performance-Based Incentive Compensation

For 2012, we maintained an incentive program that provided an opportunity for officers and employees to earn annual cash incentive awards based upon corporate performance and their individual performance. The incentive potential was stated as a percentage of the officer's or employee's base salary and varies by position. Actual incentives were calculated after the end of the fiscal year based on a review of corporate performance achievements and individual performance achievements.

Set forth below are the fiscal year 2012 target bonuses and the fiscal year 2012 actual bonuses that we made to our named executive officers with respect to fiscal year 2012 performance. We paid the fiscal year 2012 actual bonuses in March 2013.

Name and Title of Executive Officer	2012 Target Cash Bonus (as % of base salary)	2012 Cash Bonus Range (as % of base salary)	2012 Actual Cash Bonus Award (\$)	2012 Actual Cash Bonus Award (as a % of base salary)
George W. Hebard III, Interim Principal Executive Officer and Interim Chief Operating Officer ⁽¹⁾	50%	0-50%	\$ —	—%
Andrew Rackear Vice President and General Counsel	35%	0-35%	\$ 87,633	26%
Ana I. Stancic Former Principal Executive Officer, Executive Vice President, Chief Operating Officer and Chief Financial Officer ⁽²⁾	—%	—%	\$ —	—%
Timothy G. Daly Former Vice President, Controller and Chief Accounting Officer	25%	0-25%	\$ 39,775	19%
Aby Buchbinder Former Vice President of Clinical Development	35%	0-35%	\$ 85,794	25%
Charles Conover Former Senior Vice President of Research & Development, Program Management	35%	0-35%	\$ 72,450	24%

(1) Mr. Hebard was appointed as our Interim Principal Executive Officer and Interim Chief Operating Officer in May 2012. Mr. Hebard did not receive a cash bonus award for fiscal year 2012.

(2) Ms. Stancic was not eligible for a fiscal year 2012 cash incentive award as her employment ceased in May 2012.

Corporate performance goals and weightings for our fiscal year 2012 annual incentives were proposed by our management and reviewed and discussed by the Compensation Committee. The Board approved these corporate performance goals and weightings in January 2012. For fiscal year 2012, all of the named executive officers had the same corporate performance goals upon which fiscal year 2012 cash incentive awards were based. These corporate performance goals included the following clinical, operational/financial, business development and compliance goals:

Clinical Goals

- completing dose escalation portion of Phase 1a AR protocol by the end of fiscal year 2012 (including enrollment of up to 3 patients in Cohort H *(18mg/kg), assuming no DLTs are observed in Cohort E, F, and G (6.5, 10, 14 mg/kg)
- obtaining clinical efficacy data (PSA drop) for AR Phase 1a go/no-go by the end of fiscal year 2012

Operational/Financial Goals

- operating within budgetary guidelines and continue to assess opportunities to further reduce our operating expenses
- building, retaining and developing key personnel in alignment with our strategy

Business Development Goals

- executing strategic opportunities as approved by the Board
- completing a Neuroblastoma briefing document by the end of the first quarter of fiscal year 2012 and having a term sheet in place for PEG-SN38 by the end of fiscal year 2012
- entering into at least one external collaboration for Pegylation technology

Compliance Goals

- continuously striving for 100% compliance with policies, regulations & code of conduct
- conducting a risk assessment to ensure proper corporate and governance processes and procedures are in place

The Board reviewed and discussed corporate performance achievements in fiscal year 2012 relative to fiscal year 2012 corporate performance goals. Overall, the Board determined that we achieved approximately 65% of fiscal year 2012 corporate performance goals, taking into account the weightings assigned to each corporate performance goal. These achievements included the following:

- partial achievement of clinical goals;
- achievement of operational/financial goals;
- achievement of business development goals (in particular, we entered into a strategic research, development and licensing collaboration with Zhejiang Hisun Pharmaceuticals Co. Ltd for PEG-SN38 in China); and
- achievement of compliance goals.

Individual goals and weightings for our named executive officers and employees were established in alignment with overall corporate performance goals. In addition, a majority of our named executive officers had specific functional goals set at the start of the fiscal year that are based on business criteria. Individual goals and weightings for each participant varied, depending on the participant's position and areas of responsibility and the participant's effect on our corporate performance. As with evaluating salary increases, the evaluation considered the individual's performance using the following criteria for evaluation: attainment of job accountabilities and functional goals, achievement of corporate objectives, individual performance, leadership qualities, strategic contribution and adoption of our corporate values. Targets were developed with the expectation that their achievement would be attainable but ambitious and that there would be a meaningful risk that targets would not be achieved and payments would not be made at all or would be made at less than 100%. This uncertainty helped to ensure that any payments made to named executive officers who had pre-established individual performance goals under this program were performance-based. Achievement of the individual goals is reviewed in consideration of our management's cash incentive for fiscal year 2012. Set forth below is a description of the 2012 individual performance goals applicable to our named executive officers, as well as the assessment by the Compensation Committee, in consultation with our other independent directors, of how each officer performed with respect to any applicable goals.

George W. Hebard III. Mr. Hebard, who was appointed as our Interim Principal Executive Officer and Interim Chief Operating Officer in May 2012, had a pre-established target bonus of 50% of his base salary, but did not have pre-established individual performance goals for fiscal year 2012. The Compensation Committee, in consultation with our other independent directors, reviewed and discussed Mr. Hebard’s fiscal year 2012 individual achievements, including the following achievements:

2012 Performance Achievements

- on-plan enrollment in AR study through the occurrence of dose limiting toxicity
- initiation of wind-down of clinical development operations.
- execution of \$2.00 per share special dividend
- review of strategic alternatives and engagement of financial advisor for review of a possible sale of the company
- initiation of significant cost reduction plans

While the Compensation Committee and our other independent directors recognized Mr. Hebard’s fiscal year 2012 achievements, they did not approve a fiscal year 2012 cash incentive award for Mr. Hebard because they believed that his existing overall compensation package was already competitive in light of the fact that Mr. Hebard’s employment did not begin until May 2012.

Andrew Rackear. Mr. Rackear’s individual performance goals and weightings for his fiscal year 2012 cash incentive potential were established by our former principal executive officer. Mr. Rackear had a pre-established target bonus of 35% of his base salary. Mr. Rackear’s fiscal year 2012 individual performance goals and his fiscal year 2012 individual performance achievements relative to these goals included the following:

Mr. Hebard reviewed Mr. Rackear’s 2012 individual performance achievements relative to his fiscal year 2012 individual performance goals with the Compensation Committee and our other independent directors for purposes of assessing his fiscal year 2012 cash incentive award. In recognition of, among other things, our achievement of approximately 65% of our corporate performance goals and Mr. Rackear’s fiscal year 2012 individual performance achievements, the Compensation Committee, in consultation with our other independent directors, approved a fiscal year 2012 cash incentive award for Mr. Rackear equal to 26% of his fiscal year 2012 base salary.

Ana I. Stancic. Ms. Stancic was not eligible for a fiscal year 2012 cash incentive award as her employment ceased in May 2012.

Timothy G. Daly. Mr. Daly, our former Vice President, Controller and Chief Accounting Officer, had a pre-established target bonus of 25% of his base salary, but did not have pre-established individual performance goals for fiscal year 2012. Nevertheless, the Compensation Committee, in consultation with our other independent directors, reviewed and discussed Mr. Daly's fiscal year 2012 individual achievements, including the following achievements:

2012 Performance Achievements

- execution of \$2.00 per share special dividend
- initiation of significant cost reduction plans
- completion of sale of net operating losses in the State of New Jersey, pursuant to its technology business tax certificate transfer program

Aby Buchbinder. Dr. Buchbinder's individual performance goals and weightings for his fiscal year 2012 cash incentive potential were established by our former principal executive officer. Dr. Buchbinder had a pre-established target bonus of 35% of his base salary. Dr. Buchbinder's fiscal year 2012 individual performance goals and his fiscal year 2012 individual performance achievements relative to these goals included the following:

Mr. Hebard reviewed Dr. Buchbinder's 2012 individual performance achievements relative to his fiscal year 2012 individual performance goals with the Compensation Committee and our other independent directors for purposes of assessing his fiscal year 2012 cash incentive award. In recognition of, among other things, our achievement of approximately 65% of our corporate performance goals and Dr. Buchbinder's fiscal year 2012 individual performance achievements, the Compensation Committee, in consultation with our other independent directors, approved a fiscal year 2012 cash incentive award for Dr. Buchbinder equal to 25% of his fiscal year 2012 base salary.

Charles Conover. Dr. Conover's individual performance goals and weightings for his fiscal year 2012 cash incentive potential were established by our former principal executive officer. Dr. Conover had a pre-established target bonus of 35% of his base salary. Dr. Conover's fiscal year 2012 individual performance goals and his fiscal year 2012 individual performance achievements relative to these goals included the following:

Mr. Hebard reviewed Dr. Conover's 2012 individual performance achievements relative to his fiscal year 2012 individual performance goals with the Compensation Committee and our other independent directors for purposes of assessing his fiscal year 2012 cash incentive award. In recognition of, among other things, our achievement of approximately 65% of our corporate performance goals and Dr. Conover's fiscal year 2012 individual performance achievements, the Compensation Committee, in consultation with our other independent directors, approved a fiscal year 2012 cash incentive award for Dr. Conover equal to 24% of his fiscal year 2012 base salary.

No corporate or individual performance goals for fiscal year 2013 have been established.

Stock Incentive Programs

For 2012, the Compensation Committee believed that stock incentive programs directly link the amounts earned by officers with the amount of appreciation realized by our stockholders. Equity-based awards also served as a retention incentive. Stock incentive programs have always been viewed as a major means to retain highly qualified executives and key personnel and have always been a major component of the compensation package, consistent with practices throughout the pharmaceutical and biotechnology industries. For 2012, our stock incentive programs were structured to encourage key employees to continue in our employ and motivate performance that will meet the expectations of stockholders. In determining the size of any option or restricted stock or restricted stock unit award, the Compensation Committee considered the individual's position, past performance and potential, the desired retention incentive, and market practices and levels.

Historically, the Compensation Committee generally has considered and made grants of equity-based awards, such as stock options and restricted stock units, to executive officers once a year coinciding with annual performance reviews. Equity-based awards have also been granted at other times during the year in connection with promotions or for new hires or as special performance awards. Equity-based awards to members of executive management have been made under our 2001 Incentive Stock Plan and 2011 Stock Option and Incentive Plan (which replaced the 2001 Incentive Stock Plan in May 2011). Options are granted with the exercise price equal to the last reported sale price of our Common Stock on the date of grant and expire ten years after the date of the grant. Restricted stock units represent full value shares of our common stock. Vesting on most equity-based awards occurs over a three to four year period, which is designed to encourage retention. The amount and combination of equity grants, as well as the vesting period, is determined by the Compensation Committee with the intention of providing performance incentive and retention.

Change of Control and Severance Benefits

In January 2013, Radford reviewed the change of control and severance benefits then in effect with respect to key employees (other than our Principal Executive Officer) with a view toward recommending changes as appropriate in light of our then strategic objectives in connection with the sale review process that we had announced in December 2012 and which we concluded in April 2013. The Compensation Committee, in consultation with Radford and our other independent directors, reviewed these recommendations and approved these changes, with any modifications it considered appropriate. A discussion of change of control and severance benefits with respect to our named executive officers are described below under "Executive Officer Severance Agreements."

Other Benefits

We previously maintained the 2007 Employee Stock Purchase Plan, pursuant to which all eligible employees (including our executive officers) who choose to participate in the plan have deductions made by us from their compensation to purchase our Common Stock semi-annually on March 31 and September 30 of each year, at a purchase price equal to 85% of the reported last sale price of our Common Stock on either the first or last day of each six-month offering period, whichever is less. Our executive officers have participated in this plan. The Board terminated this plan, effective June 28, 2013.

We previously maintained the Enzon Pharmaceuticals Savings and Investment Plan, a tax-qualified defined contribution plan for the benefit of all of our employees (including our executive officers) that also provided for a discretionary matching contribution by our company. Our executive officers have participated in this plan. The Board terminated this plan, effective June 28, 2013.

Executive officers participate in various medical, dental, life, disability and benefit programs that are generally made available to all employees. The Compensation Committee has a policy in place providing that we will not make any additional payments to executive officers to make them whole with respect to taxes incurred in connection with any perquisites.

Executive Officer Severance Agreements

George W. Hebard III

Mr. Hebard is not covered by a severance or change in control agreement.

Andrew Rackear

On September 27, 2013, we entered into a separation agreement with Mr. Rackear, which provides for (i) the termination of Mr. Rackear's employment with us effective as of a date to be determined by the Chairman of the Compensation Committee in his absolute discretion occurring not earlier than October 1, 2013 and not later than December 31, 2013 and (ii) Mr. Rackear to provide consulting services to us. The separation agreement provides that, upon termination of Mr. Rackear's employment with us, Mr. Rackear will be entitled to receive a severance payment in cash equal to (i) his base salary through the date of termination, (ii) subject to his performance of transition responsibilities, a pro-rated portion of his target bonus of \$122,000 and (iii) \$705,000, which represents one and one-half times the sum of his base salary and target bonus. \$100,000 of the severance payment is to be paid 6 months after his termination date. The separation agreement also provides that we will (i) cause all outstanding and unvested equity-based compensation awards granted to Mr. Rackear to vest in accordance with their terms, (ii) pay Mr. Rackear the total premium cost for medical and dental coverage under COBRA, or if COBRA coverage is not available, reimburse Mr. Rackear for the cost reasonably incurred by him for comparable coverage, provided that the Company has no such payment or reimbursement obligation if Mr. Rackear becomes eligible to obtain comparable benefits from a subsequent employer and (iii) pay Mr. Rackear \$8,000 for outplacement assistance. Under the terms of the separation agreement, Mr. Rackear has agreed to (i) release us from any and all claims, including any and all claims arising from or during his employment or as a result of the end of his employment and (ii) provide such reasonable consulting services as we may from time to time reasonably request at a rate of \$250 per hour.

Departure of Ana I. Stancic

In June 2012, we entered into a severance agreement and release of claims with Ms. Stancic in connection with her departure in May 2012. Pursuant to her severance agreement, Ms. Stancic received (i) a severance payment in the amount of \$771,200, which equaled Ms. Stancic's base salary and target bonus for fiscal year 2012 and (ii) a payment in the amount of \$108,450, representing the prorated amount of Ms. Stancic's target bonus for fiscal year 2012 for the period through the end of her employment. In addition, Ms. Stancic received or is entitled to receive \$16,276 in reimbursement for the total applicable premium cost for medical, dental and vision continuation coverage for her and her family for a period of 13 months. We also provided Ms. Stancic with \$7,600 in outplacement assistance. None of her then outstanding stock options or restricted stock units were accelerated in connection with her separation. Ms. Stancic agreed to release our company from any and all claims, including any and all claims arising from or during her employment or as a result of the end of her employment.

Departure of Timothy G. Daly

In February 2013, we entered into a severance agreement with Mr. Daly. On August 9, 2013, Mr. Daly resigned as our Vice President, Controller and Chief Accounting Officer. His resignation did not trigger any payments under his severance agreement. However, the Compensation Committee, in consultation with our other independent directors, approved a separation payment for Mr. Daly in the amount of \$33,521 for his service to date for fiscal year 2013 and his assistance in transitioning his responsibilities. Following the effective date of his resignation, Mr. Daly has provided, and is expected to continue to provide, consulting services on an hourly basis to the Company during such transition.

Departure of Aby Buchbinder

In February 2013, we entered into a severance agreement and release of claims with Dr. Buchbinder in connection with his departure in February 2013. Pursuant to his severance agreement, Dr. Buchbinder received (i) a payment in the amount of \$20,307, representing the prorated amount of Dr. Buchbinder's target bonus for fiscal year 2013 for the period through the end of his employment, (ii) a severance payment in the amount of \$358,936, and (iii) a payment of \$4,000 to assist Dr. Buchbinder with outplacement. In addition, Dr. Buchbinder is entitled to receive \$15,024 in reimbursement for the total applicable premium cost for medical, dental and vision continuation coverage for him and his family for a period of 12 months. Pursuant to his severance agreement, the remaining restricted stock units granted to Dr. Buchbinder on September 22, 2010 will continue to vest such that he will become vested in such restricted stock units on the original vesting date (i.e. September 22, 2013) or, if earlier, the date a change in control occurs. In consideration for such continued vesting, Dr. Buchbinder has agreed to provide services as a consultant through December 31, 2013 at a rate of \$175 per hour. Dr. Buchbinder agreed to release our company from any and all claims, including any and all claims arising from or during his employment or as a result of the end of his employment.

Departure of Charles Conover

In April 2013, we entered into a severance agreement and release of claims with Dr. Conover in connection with his departure on March 29, 2013. Pursuant to his severance agreement, Dr. Conover is entitled to receive (i) a payment in the amount of \$25,948, representing the prorated amount of Dr. Conover's target bonus for fiscal year 2013 for the period through the end of his employment, (ii) a severance payment in the amount of \$307,500, and (iii) a payment of \$4,000 to assist Dr. Conover with outplacement. In addition, Dr. Conover will be entitled to receive \$15,024 in reimbursement for the total applicable premium cost for medical, dental and vision continuation coverage for him and his family for a period of 12 months. Pursuant to his severance agreement, the remaining restricted stock units granted to Dr. Conover on September 22, 2010 will continue to vest such that he will become vested in such restricted stock units on the original vesting date (i.e. September 22, 2013) or, if earlier, the date a change in control occurs. In consideration for such continued vesting, Dr. Conover has agreed to provide services as a consultant through December 31, 2013, at such times as may be reasonably requested by the Company at a rate of \$150 per hour. Dr. Conover agreed to release our company from any and all claims, including any and all claims arising from or during his employment or as a result of the end of his employment.

Share Ownership Guidelines for Senior Management

The Board has share ownership guidelines for our senior management. These guidelines are applicable to our Principal Executive Officer, executive officers and other Vice President level employees. Under the share ownership guidelines, members of senior management are encouraged to acquire and maintain share holdings in our Common Stock in amounts expressed as a multiple of base salary. The guidelines provide for a four-year window within which the share ownership level is to be achieved, starting when the member first becomes subject to the guidelines. These ownership guidelines are designed to further align executive ownership, strategic thinking and compensation programs to our performance and the interests of our stockholders.

The following multiples of base salary apply:

- three times base salary for the Principal Executive Officer; and
- two times base salary for other executive officers and Vice President level employees.

The following are counted in determining share ownership:

- shares purchased on the open market;
- shares owned jointly with or separately by spouse and/or children;
- shares held by the individual in our 401(k) plan;
- restricted stock or restricted stock units;
- vested and “in the money” unexercised options, provided that these shares may not exceed 50% of the requirement total; and
- shares purchased pursuant to our 2007 Employee Stock Purchase Plan or other employee purchase plans.

Impact of Tax and Accounting Treatment on Compensation

The accounting and tax treatment of compensation generally has not been an important factor in determining the amounts of compensation for our executive officers. However, the Compensation Committee and management have considered the accounting and tax impact of various program designs to balance the potential cost to us with the benefit/value to the executive.

Conclusion

We believe our compensation policies and practices have been reasonable and appropriate and have aligned the financial interests of our senior managers with those of our stockholders, while keeping the overall compensation package competitive. The Compensation Committee, which generally reviews risks relating to our compensation practices and policies, also believes that the compensation package rewards strong performance without encouraging excessive risk-taking.

Nonqualified Defined Contribution and Other Nonqualified Deferred Compensation Plans

For part of 2011, we maintained an Executive Deferred Compensation Plan, which provided a select group of our management or highly compensated employees with the opportunity to defer the receipt of certain compensation. The plan provided our executives with the opportunity to defer up to 100% of their regular base salary earnings and up to 100% of annual bonus earnings into the plan. Our obligation for compensation deferred under the plan is that of an unfunded and unsecured promise to pay money in the future to participating eligible employees in accordance with the terms of the plan from the general assets of our company, and those obligations rank pari passu with other unsecured and unsubordinated indebtedness of our company from time to time outstanding. The plan also provided for payments of certain amounts that would have been contributed by us under our 401(k) plan as well as non-elective deferred compensation credits, in each case subject to vesting conditions. The Compensation Committee terminated the plan effective September 22, 2011. Participants in the plan received a payout to the participants' accounts on October 12, 2012.

The following table sets forth the information with respect to our named executive officers concerning compensation deferred under the Executive Deferred Compensation Plan for the fiscal year ended December 31, 2012.

PROPOSAL NO. 2—RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On August 7, 2013, the Finance and Audit Committee dismissed KPMG LLP as our independent registered public accounting firm and appointed EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013 with the goal of reducing our ongoing audit fees.

KPMG LLP's audit reports on our financial statements for each of the two fiscal years ended December 31, 2012 and 2011 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except that KPMG LLP's audit report dated March 18, 2013 with respect to our financial statements included the following explanatory paragraph: "As stated in Note 1 to the consolidated financial statements, in December 2012, the Company announced that its Board of Directors has retained a financial advisor to assist in reviewing the possible sale or disposition of one or more corporate assets or a sale of the Company and established a special committee to oversee the Company's sale review process. In connection with the sale review process, the Company has announced plans to suspend all clinical development activities." The audit report of KPMG LLP dated March 18, 2013 on the effectiveness of internal control over financial reporting as of December 31, 2012 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except that KPMG LLP's report indicates that we did not maintain effective controls over financial reporting as of December 31, 2012 because of the effect of a material weakness on the achievement of objectives of control criteria and contains an explanatory paragraph which states: "A material weakness related to management's review of accounting for non-routine, complex technical accounting matters has been identified and included in management's assessment."

In connection with KPMG LLP's audits of our financial statements for the fiscal years ended December 31, 2012 and 2011 and in the subsequent interim period through August 7, 2013, there were no "disagreements" (as defined in Item 304(a)(1)(iv) of Regulation S-K) with KPMG LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures which, if not resolved to the satisfaction of KPMG LLP would have caused KPMG LLP to make reference to the matter in their audit reports.

In connection with KPMG LLP's audits of our financial statements for the fiscal years ended December 31, 2012 and 2011 and in the subsequent interim period through August 7, 2013, there was a "reportable event" (as defined in Item 304(a)(1)(v) of Regulation S-K) related to a material weakness in our internal control over financial reporting as disclosed in our Annual Report on Form 10-K for the fiscal year ended December 31, 2012 (the "2012 Form 10-K"). As disclosed in the 2012 Form 10-K, our management concluded that as of December 31, 2012 our internal control over financial reporting was not effective because of the existence of a material weakness related to management's review of accounting for non-routine, complex technical accounting matters. KPMG LLP's audit report dated March 18, 2013 with respect to our internal control over financial reporting as of December 31, 2012 opined that we did not maintain effective internal control over financial reporting as of December 31, 2012 because of this material weakness. The subject matter of this material weakness was discussed by our management and the Finance and Audit Committee with KPMG LLP. We have authorized KPMG LLP to respond fully to the inquiries of the successor independent registered public accounting firm concerning this material weakness. We provided KPMG LLP with a copy of the above disclosures and requested that KPMG LLP furnish the Company with a letter addressed to the SEC stating whether it agrees with such disclosures. A copy of KPMG LLP's letter, dated August 12, 2013, is filed as Exhibit 16.1 to the Company's Current Report on Form 8-K filed on August 12, 2013.

Pre-Approval Policies and Procedures

The Finance and Audit Committee is required to pre-approve the audit and non-audit services performed by our independent registered public accounting firm in order to assure that the provision of such services does not impair the accountants' independence. The Finance and Audit Committee specifically pre-approves all audit fees, audit related fees, tax service fees and all other fees. The Finance and Audit Committee has delegated authority to the Chair of the Finance and Audit Committee to approve any services not specifically pre-approved by the Finance and Audit Committee provided that disclosure of such services and fees is made to the Finance and Audit Committee at the next scheduled meeting following such approval.

Audit Fees, Audit Related Fees, Tax Fees and All Other Fees

The following table sets forth the aggregate fees paid or payable for services provided to us by KPMG LLP and EisnerAmper LLP for professional services rendered for the fiscal years ended December 31, 2012 and 2011. The Finance and Audit Committee considered whether the provision of these services by each KPMG LLP and EisnerAmper LLP was compatible with maintaining each firm's independence and concluded that each firm was "independent."

Recommendation

PROPOSAL NO. 3—ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, the Board is asking stockholders to approve an advisory resolution on executive compensation. The advisory vote is a non-binding vote on the compensation of our named executive officers. The vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. The text of the resolution is as follows:

RESOLVED, that the stockholders of Enzon Pharmaceuticals, Inc. hereby approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the proxy statement for the Company's 2013 annual meeting of stockholders pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis section and the Summary Compensation Table and related compensation tables and narrative discussion within the "Executive Compensation" section of the Company's proxy statement.

The Company urges you to read the Compensation Discussion and Analysis, which discusses how our compensation policies and procedures implement our compensation philosophy. You should also read the Summary Compensation Table and other related compensation tables and narrative disclosure which provide additional details about the compensation of the executive officers in 2012 whose compensation is disclosed in this proxy statement.

The vote regarding the compensation of our named executive officers described in this Proposal No. 3, referred to as a "say-on-pay advisory vote", is advisory, and is therefore not binding on the Company or the Board. Although non-binding, the Board values the opinions that stockholders express in their votes and will review the voting results and take them into consideration when making future decisions regarding our executive compensation programs as they deem appropriate.

Recommendation

The Board recommends that you vote "FOR" the approval, on an advisory basis, of the compensation of the Company's named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Exchange Act (Proposal No. 3 on the proxy card).

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Ownership of and transactions in Common Stock by our executive officers and directors and owners of 10% or more of outstanding Common Stock are required to be reported to the SEC pursuant to Section 16(a) of the Exchange Act.
